Mr Ed Taylor  
Philadelphia Pa

Dear Ed:-

Have your letter of Dec 29th together with the one to you from Mrs Manley of the Newark Eagles and am writing her as per the enclosed copy which I beleive will handle the matter in the best way to fit in with her wishes as well as make it more satisfactory all around.

By all means I think it would be the very best thing for you to attend the New York meeting the 5th and while you are there you can make plans for us to contact any other clubs in you section to fit in with the date that is most satisfactory to Mrs Manley.

Best

*Jack*
